**TERMINAL DISCLAIMER TO OBVIATE A DOUBLE PATENTING
REJECTION (37 CFR 1.321(b))**

Commissioner for Patents
Washington, D.C. 20231

Sir:

I, REENA KUYPER, represent that I am the attorney/agent of record for this invention, and am authorized to sign on behalf of the assignee.

The Assignment of this application (the parent and its continuations including the present application) to RONALD A. KATZ TECHNOLOGY LICENSING, L.P., was recorded on September 26, 1994, on Reel 7133, Frames 090-100.

I have reviewed the foregoing documents and hereby certify that, to the best of my knowledge and belief, title to the subject matter of this patent is in RONALD A. KATZ TECHNOLOGY LICENSING, L.P.

The terminal part of the statutory term of any patent granted on the above-identified application, which would extend beyond the expiration date of the full statutory term defined in 35 U.S.C. 154 to 156 and 173 of U.S. Patent Nos. 6,148,065; 6,016,344; 5,815,551; 4,845,739 and 4,792,968, as presently shortened by any terminal disclaimer, is hereby disclaimed, except as provided below, and it is agreed that any patent so granted on the above-identified application shall be enforceable only for and during such period that the legal title to said patent shall be the same as

the legal title to U.S. Patent Nos. 6,148,065; 6,016,344; 5,815,551; 4,845,739 and 4,792,968, this agreement to run with any patent granted on the above-identified application and to be binding upon the grantee, its successors or assigns.

In making the above disclaimer, disclaimant does not disclaim the terminal part of any patent granted on the instant application that would extend to the expiration date of the full statutory term as defined in 35 U.S.C. 154 to 156 and 173 of U.S. Patent Nos. 6,148,065; 6,016,344; 5,815,551; 4,845,739 and 4,792,968, as presently shortened by any terminal disclaimer, in the event that it later expires for failure to pay a maintenance fee, is held unenforceable, is found invalid by a court of competent jurisdiction, is statutorily disclaimed in whole or terminally disclaimed under 37 C.F.R. 1.321, has all claims cancelled by a reexamination certificate, is reissued in any matter or is terminated prior to expiration of its full statutory term as presently shortened by any terminal disclaimer, except for the separation of legal title stated above.

I declare that all statements made herein of my own knowledge are true and that all statements made on information and belief are believed to be true, and further that these statements are made with the knowledge that willful false statements and the like so made are punishable by fine or imprisonment, or both, under Section 1001 of Title 18 of the United States Code, and that such willful false statements may jeopardize the validity of this application and any patent issuing thereon.

Dated: _____

March 24, 2003

Respectfully submitted,

Reena Kuyper
